More power,
increased range

Fonz MotoTech™ system introduces new control management resulting in the most powerful, linear acceleration yet. The Performance model offers top speed of 90 KM/H, unlocking even more electrifying performance with a 8.3kW motor output.

Finish

Arthur comfortably seats a pillion passenger and fits an optional paint matching, 32L top case for added storage. Select your matte satin finish from a range of standard and limited edition paint colours. Choose saddle trims, from premium vinyl to marine-grade leather options. Top case fitted with cushion back rest in matching saddle trim.
